or until they attain to a suitable age to care for themselves. It is expressly my desire that no legacy bequest, support or other aid shall be paid to any of my said legatees hereinafter named, at any time, when, in the judgment of my said Executor and the Probate Judge, the same will foster or encourage idleness or intemperance, or where any of my said legatees shall, by reason of profligacy or intemperance be unfit to receive or properly care for it.

Fourth - It is my will, that, when
